2019-2020 PASADENA ISD INSTRUCTIONS FOR ONLINE STUDENT REGISTRATION

Pasadena ISD will begin utilizing Skyward Family Access this school year to allow parents to verify and update contact, emergency, and health information for all returning students to PISD and all students who completed the enrollment process during early registration.

Skyward works best in Google Chrome. Online Registration can be translated into a language of your choice. See steps #1-6 to choose your language. If you do not need a translation, then skip to step #7 to begin.

1. Right-click your mouse and click on “Translate to English”.

2. The following box will appear on the screen.

3. Click on the option that says “Change Languages”.

4. **Click on the box that says “Translation language”**.

5. **A drop-down menu of choices will appear. Choose the language of your choice.**

   Then click “Always Translate” and then, “Translate”.

6. **The web pages will now be translated into the language you chose.**
7. Go to Pasadena ISD website (www.pasadenaisd.org) and use the Skyward Family Access link.

8. You may click on the Skyward Family Access icon further down on the home page.

9. Click on the link and log in to Family Access with your Family Access login and password.

10. If you do not have an email on file, please contact your child’s school to have one added. You will receive an email that includes your Family Access username and a link to reset your password.
11. Your one Family Access account allows you to access all of your children. (Refer to the Family Access user account information on the website if you have not logged in to Family Access).

**NOTE:** Only **Family #1 will be able to make changes to your child’s information.**

*Family #1 is determined by the address where the student resides.*

14. Read the information posted.

15. Each step of the process is listed at the top.

16. Click the “Start” button to begin.

17. Read and complete the information as needed on each page, and then click the blue “Complete & Next” link at the bottom.

   You may also return to the previous screen, as needed by clicking on the “Previous” link.

18. As you complete each step, a green check mark will appear on that step.
19. If for some reason, you must stop during the process, your information will be saved and you can return later to complete the process. When you return, you must click the “Resume” button on the Welcome Page.

20. An exclamation mark will appear on any step where you stopped.

21. Mother and father/legal guardians are listed as the first two emergency contacts.

   If mother or father/legal guardian are removed on this step, they will not be contacted in case of an emergency.

   You may enter up to four additional emergency contacts on Step 5.

22. Enter the information for each emergency contact, as needed.

23. You may remove an emergency contact, if necessary, by clicking the “Remove Emergency Contact” link next to the contact name.

   The information is cleared, and you may enter new information.
24. You may also add an additional emergency contact, if needed, by clicking at the bottom of the page the “Add Emergency Contact” link.
